ANNOUNCEMENT

We are happy to announce that in October 2020 we will launch the new platform "Cyfrowe MNW" ("Digital NMW"), the result of many months of work performed by our team, as part of the project "Open National. Digitisation and accessibility of National Museum in Warsaw collections".

It is our aim to provide you with the highest quality photographs of the items from the Museum's collection therefore from **31 August to 18 September 2020** the Faras Gallery will be closed to visitors due to the necessary digitisation works.

All fans of Nubian art are most welcome to visit us starting from 19 September 2020.
